ויקהל - Vayakhel

March 22, 2025 – 22 Adar, 5785

Vayakhel begins with the words, “Vayakhel Moshe” - “Moses assembled all the congregation of the Children of Israel.” He shares with them that they will soon be building a tabernacle, so that God can dwell in their midst. Moses lists the various items that will be needed for the construction of the Tabernacle and the items that will be in the Tabernacle. Although this is a most worthwhile project, Shabbat must be kept and no work, even activities related to the Tabernacle, cannot be done on Shabbat.

Today is also **Shabbat Parah**:

The Torah reading of Parah (Numbers 19) is added to the weekly reading. Parah details the laws of the "Red Heifer" and the process by which a person rendered ritually impure by contact with a dead body was purified. (When the Holy Temple stood in Jerusalem, every Jew had to be in a state of ritual purity in time for the bringing of the Passover offering in the Temple. Today, though we're unable to fulfill the Temple-related rituals in practice, we fulfill them spiritually by studying their laws in the Torah. Thus, we study and read the section of Parah in preparation for the upcoming festival of Passover.)
